

LETTER OF RECOMMENDATION

With this letter, we would like to recommend MTX LED SOLUTIONS SRL with its registered office in Romania for professional cooperation and high quality of products delivered.

MTX LED SOLUTIONS provides us with lighting systems and sound systems for manufactured vehicles.

Products are delivered on time with the highest standards of performance and functionality. Throughout the period of cooperation, high quality products and quick service contributed to the systematic introduction of new solutions in our vehicles, taking into account the latest technological solutions.

I am pleased to recommend the contractor as a reliable partner.
