REFERENCES

We hereby want to express our satisfaction and certify the high quality of products delivered by MTX LED SOLUTIONS SRL with its registered office in Romania.

MTX LED SOLUTIONS as a partner manufactures for us and delivers parts of lighting systems for specialized vehicles. The choice of MTX LED SOLUTIONS as a partner was not only about high quality of finished products, but more importantly - readiness to adapt and quickly introduce new solutions customized or made from scratch for our needs. Timely execution of orders and available technical support by the contractor over the years have strengthen business relationships, allowing the mutual introduction of new solutions for the specialized vehicle segment.

It is a great pleasure for us, taking into account the professionalism and existing relationships, to recommend MTX LED SOLUTIONS as a partner and supplier.
